

## The Coin Flip Killer

Laura Giglio and Tracey Lixx star as two unfortunate women whose paths cross with “The Coin Flip Killer” (David Lee). All his decisions are based on the toss of his lucky coin. First, he breaks in to Jane’s (Laura Giglio) house and confronts her in the bedroom. Flipping his lucky coin, the killer determines that she has to strip to her underwear and then pose for him.

He then orders her to pick up the coin off the floor with her mouth!

He then duct tapes her ankles and tapes her arms behind her back. He knocks her out and then searches the house for valuables.

When she wakes up, she tries to call for help, but he returns and forces her down onto the bed where he strangles her almost to unconsciousness.

He decides to leave, but not before he flips his lucky coin one more time to determine whether she lives or dies! Needless to say, the coin isn't lucky for Jane!

Several days later, he breaks into Christina's (Tracey Lixx) house. But he's in for a surprise when he learns not only is Christina married to the Chief of Police (James Matthews), but he's also a dirty cop. Will Christina's fate be the same as Jane's or will her husband rescue her at the last minute? (30 min.) (nudity, bondage, shooting, strangling)

**BONUS: Strangled Accomplice**

Laura Giglio double crosses her partner in crime (David Lee) and he pursues her to her home where he proceeds to attack her and ultimately strangle her to death! Twelve minutes of non-stop action! (violence, strangling, dragging)
